At Lawry's The Prime Rib, we're honored to serve you and your guests in the Korean traditions of 100-Day and First Birthdays. The ancient Korean tradition of the "dol" is so rich in it's meaning, and such a grand celebration of a child's first year, that it has been adopted into many other cultures.

We will assist you in coordinating every detail, from theme and color to a menu designed expressly for your celebration.
