Food:

Why do I see a luncheon menu and not a dinner menu for weddings?

Most of the weddings occur on weekends due to the large guest count. Therefore, most of our weddings take place during the day. Of course, our other Private Rooms are available in the evening for smaller weddings.

Do you offer menu tastings?

We can do tastings for the couple to choose a chicken or fish entrée. If selecting a menu with hors d'oeuvres, we can also taste up to 4 items. We do not do tastings on the prime rib. Please be advised that Menu Tastings can be set up when we receive a signed Event Contract along with a 20% deposit to secure an event space.

Can you provide the wedding cake?

We do not provide wedding cakes. You are welcome to use your favorite bakery. Our Chef can make a dessert station instead of a wedding cake. Please read our wedding menus for dessert items.

Lawry's Weddings

Do you offer an entrée for non-meat eaters?

Yes, there is a vegetarian option available on all menus. We also offer vegan meals. Please let us know in advance if there are any guests with specific allergies or dietary requirements, so we can accommodate them.

Do we need to provide you with the menu breakdown in advance?

Yes, we need a guest count and entrée breakdown one week before your wedding date.

We also ask that you provide place cards for your guests with their entrée selections.

How is the entrée service handled for luncheons?

We highly recommend having our Master Carvers for wedding events. They are truly part of the "Lawry's Experience." If you would like to have the carvers and the silver carts, there is an additional fee of \$75 per carver. If you opt to not have a carver and the silver carts, the Prime Rib will be cut in the kitchen with the temperature set at Medium to Medium Well.
