THE GREAT WALL OF SCOTCH

In the 1950's The Tam O'Shanter installed a Great Wall of Scotch to showcase bottles Lawrence Frank and Walter Van de Kamp collected on thier trips abroad.

Three years ago we brought back The Great Wall of Scotch. We have collected over 250 offerings from Scotland and a hundred or so more from around the globe.

Not only will you see many familiar names but you will find rare offerings that are hardly ever, ever, seen outside of Scotland.

@famoshanterLA

All Drams are 2oz pours

Due to the rare nature of our collection not all selections may be available
